1941 PRICE LIST

GREETINGS:

To Our Customers and Friends—

With the advent of another planting season it gives us pleasure to send you our 1941 catalog and again offer you many new and popular Dahlias at a low prepaid price on Bulbs.

We specialize in growing Dahlias and know how to produce good stock for our customers.

The roots we send out are from field grown clumps. Due to the fact we had a large crop of Bulbs we have quoted low prices which means a saving to our customers and more Dahlias for less money.

Also wish to stress the fact we have made a specialty of growing Dahlia plants of the newest and outstanding varieties. Plants are from 3½ and 4-inch pots.

Visitors Welcomed

Plan to visit the gardens during the 1941 season. Blooming season for Dahlias from September until killing frost. Many of the new introductions of both American and European varieties will be included in this year's planting.

Shipping Information

Orders are booked and filled in order received. Early ordering is advised while stock is complete.

All stock **STATE** and **FEDERAL** inspected and sent to you in a growing condition. We guarantee all stock true to name. Anything proving otherwise will be replaced the following season.

Roots shipped any time. Plants in April to July 1.

Terms

All orders are cash, unless otherwise arranged. If it is desired to have a shipment made **C. O. D.**, then a deposit of 25 per cent of the order must be sent. Postage must be included on orders under \$1.00.

Special Notice On Dahlia Plants

On all orders for dahlia plants, 25c extra must be sent to cover special handling charges. No **C. O. D.** order on plants unless 50% of the amount of the order is sent at the time the order is made.

Special Dahlia Labels

These are 3½ inches by ⅝ inch painted wood labels with copper wires, that we use for labeling dahlias. 50 cents per 100.

Special Dahlia Offers

OFFER No. 1—15 Mixed Dahlias	\$1.00
OFFER No. 2—12 Giant Labeled	\$1.00
OFFER No. 3—15 Mixed Poms	\$1.00
OFFER No. 4—12 Labeled Poms, our selection--	\$1.00

Notice

"Mothers Day" comes on May 11th so why not send her a lasting gift of Dahlias or other flower plants. On orders for "Mothers Day Gift" we will include a Mother's Day Card.

Varieties Not Listed

If you are wanting a variety not listed, please write, as we may have it. We do not have all our stock listed.

Also we will have other new introductions for 1941 that are not on our list.

Extra Bulbs

On orders received up to March 15 you may select 25% more in bulbs. (Ex. If you order \$2.00 worth of labeled bulbs you may add a 50c bulb. Free). This is not to be taken as a cash discount nor does not apply to any of the Special Dahlia Offers from No. 1 to No. 4.

"Better Gardening"

By HARRY P. O'BRIEN

This handbook of 120 pages is needed by every gardener. Gives information on pruning shrubs, evergreens, planting dahlias, perennials and everything in general for better gardening.

On an order of dahlias at regular prices (no collections included) we will include a copy free if the order is \$5.00 or more.

Well worth many times its price.

Price 25c

Honor Roll Dahlias That Are Outstanding For 1941

Adorable (I. D.)—Large vivid peach shading to yellow at center. Beautiful. Rightly named **Roots 25c**

*Adolph Mayer (S. C.)—Is the blackest Dutch novelty we ever raised. Very attractive ----- **Plants 50c**

*A. J. Parker (I. D.)—Salmon buff with rosy mазentic reverse. Blooms of large size with good stems. **Plants \$3.00**

All American (S. C. 1941)—Mulberry rose suffused salmon with wax yellow at base of petals. The petals twist somewhat and point in all directions. Very outstanding ----- **Plants Only \$7.50**

*Alice De Ryter (Dec.)—Deep wine red with a purple orange glowing center ----- **Plants 35c**

Alice May (I. D.)—This novelty is from Australia and considered a White Lord of Autumn. A pure waxy white. Stems perfect ----- **Plants Only \$1.00**

Amelia Earhart (S. C.)—Mammoth blooms of golden apricot. A sure prize winner ----- **Roots 35c**

American Legion (I. D.)—Large clear yellow. Has won many ribbons ----- **Plants Only 50c**

American Purity (S. C.)—Excellent white of large size and fine stems. A grand dahlia ---- **Roots 75c**
Plants 35c

*Andree Bayssellance (I. D.)—Certainly a beautiful fiery red. Very attractive large size blooms on strong stems. This dahlia has made a good record. **Plants 75c**

Aurora (F. I. D.)—Rose pink. Overlaid wax yellow. giving it a peach pink ----- **Plants \$1.00**

- Autumn Sunset (I. D.)**—Lemon yellow center spreading to lightly tinted spinal red toward outside of flowers. Size of blooms 10 to 12 inches. Good stems ----- **Plants 50c**
- Aztec Chief (F. D.)**—Unusual light tomato red. Will produce blooms 10 to 12 inches. Good stems. ----- **Plants \$1.50**
- Azura (I. D.)**—Giant rosy lilac blooms with a bluish violet sheen. Very attractive ----- **Roots 75c**
- *Baern (S. C.)**—Pink with a salmon glow. Very pretty ----- **Plants 50c**
- *Ballego's Surprise (S. C.)**—A pure white incurved cactus. Considered very good ----- **Plants 50c**
- *Bandoeng (Dec.)**—Fine blending of amber and gold with a dark mahogany center. Free flowering. Foliage and stem are first class. Altogether an unusual dahlia in color and habits. Do not miss this one. Has a number of certificates of merit in the trial gardens ----- **Roots \$1.00, Plants 50c**
- *Bauer's Meisterstuck (Dec.)**—Rich golden bronze, reverse shaded purple violet petals, curl and twist making a beautiful bloom. Free bloomer on strong stiff stems with blooms 10 to 12 inches in diameter ----- **Plants 50c**
- Beaute (C.)**—Rich crystal yellow, with large flowers on long stems. Good ----- **Plants 50c**
- Beau Nuance**—Rich apricot becoming overlaid with salmon. Blooms freely on long stems. Very outstanding. Stock limited ----- **Plants Only \$2.50**
- Bernice Geer (Inc. Cac.)**—The color of this fine dahlia is old rose. Slightly veined and tipped gold. ----- **Roots 75c, Plants 35c**
- Bette Davis (S. C.)**—Deep violet rose ---- **Plants 50c**
- Betty Kunzman (I. D.)**—Cream color with each petal edged orchid. Beautiful formation and always admired ----- **Roots 35c**
- Betty Zane (I. D.)**—Very large deep rose pink silver sheen ----- **Roots 75c**
- Betsy (I. D.)**—Beautiful pastel shade with excellent stems ----- **Plants 35c**
- Bibbs Grace**—An old dahlia but still good for cut flowers. Pure white ----- **Roots 50c**
- Bills Gold (I. D.)**—Lovely gold with blooms 12x8 on long perfect stem. Must be seen to be appreciated. ----- **Plants Only \$3.50**
- Bing Crosby (I. D.)**—Immense deep yellow penciled carmine ----- **Roots 50c**
- Blue River (F. D.)**—Blue French violet. The nearest to a blue dahlia. New and good. Special price ----- **Roots 25c**
- Brilliant Lady (I. D.)**—A bright reddish French purple reflexed silver. Many of the outer petals roll and twist showing silver reverse which adds to its attractiveness ----- **Plants Only 75c**
- Broomalls Pink (I. D.)**—True rose pink --- **Roots 35c**
- Buckeye Glory (I. D.)**—Bright clear lavender to deep lavender ----- **Roots 50c**
- Buckeye King (F. D.)**—Large blooms of amber gold. ----- **Roots 25c**
- *Bunter's Vogel (C.)**—Bi-color of wine and white. Very odd ----- **Roots 25c**
- Burch Foraker (I. D.)**—Bright scarlet red of immense size. Has a yellow sheen. Flowering habits good with cane like stems. Size of flower 10 to 12 inches ----- **Plants 75c**
- Captain Ritter (I. D.)**—Amber yellow and pink. New. ----- **Roots 50c**
- Century of Progress (F. D.)**—Beautiful royal purple. ----- **Roots 50c**
- *Chamberlain (S. C.)**—This one has a beautiful combination of deep salmon with soft rose shadings changing to violet. Good erect stems and a good keeper. Very outstanding ----- **Plants Only 50c**
- Cheer Leader (F. D.)**—A 1940 introduction of rose pink color on good stems. A good commercial cut flower. Blooms 6 to 8 inches with corresponding depth ----- **Plants \$1.00**
- Chemars Sultan (F. D.)**—Bright pink, produces huge full centered flowers throughout the season. Stems are stiff and long holding blooms upright ----- **Plants Only \$1.00**
- Cherokee Brave (I. D.)**—Gigantic oxblood red. Fine form with excellent stems. A real prize winner. Does well in the sun ----- **Roots \$1.00, Plants 50c**

- Cherokee Rose (I. D.)**—A lavender rose with a good formation. Size 8 inches, with a good depth
Plants 50c
- Clara Carder (I. D.)**—Beautiful shade of cyclamen pink -----Roots 25c
- Class (F. D.) 1941**—Sulphur yellow formal, with giant blooms which have been grown to 15½ inches. Under ordinary conditions it will average 10 and 11 inch blooms. Bushes are rugged and of medium height -----Plants \$7.50
- Cracker Jack (S. C.)**—Rose to flame red with exhibition blooms of 9 to 11 inches. The long petals curl and twist showing the pale tan reverse
Plants 75c
- Commeteer (Str. C.)**—Clear bright golden buff. Early flowering and free blooming. 1938 introduction.
Roots 75c, Plants 35c
- *Consul General Quist (S. C.)**—Soft shell pink. Darker at the centers. Strong grower with good blooms.
Plants 75c
- *Corallina (S. C.)**—Deep brick red, good stems. Highly recommended -----Roots 40c
- Coronada (F. D.)**—Bright rose, magenta of large size -----Roots \$1.00, Plants 50c
- Curly Locks (F. D.)**—Beautiful Autumn tints with long curl and twisted petals. Giant blooms. New and good -----Roots 75c
- Dahliamum (I. D.)**—Similar to a huge Japanese chrysanthemum of bright cadmium apricot with a golden sheen. The extra long petals recurve to the stem. Bloom of giant size 12 by 10 ----Plants Only \$1.50
- *Darcy Sainsbury (I. D.)**—This Australian variety is a fine white with good size and formation.
Roots \$1.00, Plants 50c
- Dean Anderson (I. D.)**—A rare new color of radiant henna orange, producing very large flowers on strong and erect stems. Outstanding in every respect -----Plants 50c
- Discovery (I. D.)**—Deep rosy magenta with deep reddish garnet center. Very outstanding.
Roots 75c, Plants 35c
- *Dr. Schreiner (S. C.)**—Soft lilac -----Roots 35c
- *Dulcinea (St. Cac.)**—This variety resembles Miss Belgium as to type excepting that it is larger and the color is a striking crimson Roots 60c, Plants 35c
- D. W. Morrow (I. D.)**—Large cardinal red. Darker at center -----Roots 35c
- Elissa Landi (I. D.)**—Light pinkish orange. Stiff stems -----Roots 25c
- *Enkart Prima (S. C.)**—Soft deep salmon color with a deep yellow center. Lovely cut flower Plants 50c
- Eva Mae (F. D.)**—Sulphur yellow becoming lighter showing some pink tints. Blooms 5 to 7 inch size. Good for commercial work -----Plants \$2.00
- Evelyn Chandler ((S. C.)**—Large bright gold of rare color. A straight petaled semi-cactus which has been called a Gold Satan. Size of blooms 10 to 13 inches by 6 to 7 inches deep. A 1940 introduction.
Plants \$1.50
- Eventide (I. D.) 1940**—Color rich deep purple. Comes almost to a formal in form at time. Has strong stems with flower facing side. Foliage dark and resistant. Won a certificate with score of 86 at East Lansing in 1938 where it scored highest score. Size 9 to 10 inches -----Plants \$1.50
- Everybody's Favorite (Salem, 1939) (I. D.)**—A rose pink bloom without the faintest trace of lavender. It is very large and can easily be grown over a foot across. The petals fall back to the stems giving the bloom tremendous depth. The stem is good and the bush is very rugged, and it attains a height of six feet -----Plants \$1.00
- *Fernie Lodge (S. C.)**—A beautiful Carmine rose from Australia. Grand stems and bloom size 5 to 7 inches -----Plants \$1.00
- Fireball (F. D.)**—A brilliant scarlet red that is outstanding. Unusually outstanding color. Don't fail to try this one. Special price -----Roots 35c
- Firefly (Ball)**—A distinctive ball dahlia of Chinese red color with a tan reverse. Blooms well formed, average 4x3½ inches. Prolific bloomer Plants 50c

- Flash (C. 1940)**—A striking bi-color with an unusual formation and color effect. The petals are crimson red, tipped pure white. Petals are lacinated which curl and twist. Has made a good record in shows and trial grounds ----- **Plants \$2.00**
- Freckles (I. D.)**—A 1937 introduction of unusual coloring, lemon chrome, blotched and speckled bright scarlet. Large blooms and vigorous growth. **Plants 50c**
- *Frieda George (I. D.)**—Magnificent big blooms of cream color overlaid pink and helio deepening at the tips. An Australian introduction --- **Plants 75c**
- Gay Caballero (In. C.)**—A beautiful deep red of unusual form and color. Ends of the petals twist giving them a stag horn effect. One of the outstanding 1940 introduction ----- **Plants \$1.50**
- Galla California (C.)**—A true cactus of brilliant orange. Blossoms are good -- **Roots 75c, Plants 35c**
- Gertrude Lawrence (I. D.) 1939**—Large blooms of cerise red to a currant red. Early bloomer on a medium size bush with good stems ----- **Plants 75c**
- Geneva Giant (S. C.)**—Chrome yellow center blending to apricot, reverse of petals are of red orange. Blooms 10 to 13 inches with a great deal of depth, held up on stiff stem 6 to 8 inches above the first set of leaves ----- **Plants 75c**
- Geneva Surprise (F. D.)**—An immense orange cadmium blending to apricot yellow, slightly suffused grenadine red. A prolific bloomer with blooms 10 to 12 inches by 6 inches ----- **Plants 75c**
- Glamour (I. D.)**—An immense true purple with each petal edged amaranth pink. Long strong stems. Has been grown to 14 inches. Very outstanding. **Plants 75c**
- Gloria Bacher (F. D.)**—Clear glowing rhodamine purple. Considered the best purple dahlia to date. Size of bloom 8 to 9 inches with good depth. Has made a good record in field and shows ----- **Plants \$1.50**
- Golden Beauty (I. D.)**—Apricot yellow, shaded Jasper pink. Very artistic blooms with good strong stems. **Plants 50c**
- Golden Standard (S. C.)**—Golden tan, brushed with tints of bronze and apricot ----- **Roots 50c**
- Grand Master (F. D.)**—Massive bloom of deep bronze shading to orange at center -- **Roots 75c, Plants 35c**
- Greater Glory (C.)**—Color is a pink with mauve and almost white center. Very artistic formation of the blooms. Immense size and a great winner. **Roots \$1.00, Plants 50c**
- Harbor Lights (F. D.) (1940)**—Is truly a beautiful formal Dec. dahlia of rose red color with a center somewhat darker and a few outer petals have touches of maize yellow. This new Dahlia has many good qualities such as being a good cut flower, good stems and a good root maker. The flowers are 8 to 9 inches in diameter and a depth of 4½ inches. The size and color of "Harbor Light" gives a brilliant effect and sure to attract attention. All stock is from field clumps. We are releasing this new dahlia at a low price of **Roots \$1.50, Plants 50c**
- Haslerova (I. D.)**—Bi-color of white with splashes of carmine red and wine. Very odd ----- **Roots 35c**
- *Heroes (I. D.)**—Brick red and Autumn tints. **Roots 50c**
- Hillcrest Dahl (I. D.)**—Very large blooms of Rhodamine purple ----- **Plants 75c**
- Hillside Gold (S. C.)**—Medium size flower of rich golden yellow with an apricot glow at center. A fine cut flower. Introduced in 1939 ----- **Plants 75c**
- Hillside Sunset (I. D.)**—Another leading 1939 introduction. Golden yellow edged and suffused with red later blending into gold. Truly a beautiful dahlia. Give it a trial ----- **Plants \$1.00**
- Hi-Speed (I. D.)**—A new color of French plum. Large blooms and a vigorous grower. **Roots \$1.00, Plants 50c**
- Hunt's Velvet Wonder (I. D.)**—Rich violet maroon or Burgundy red ----- **Roots 25c**
- *Inez Bray (F. D.)**—A perfect reddish purple of great size. An Australian introduction ----- **Plants \$1.00**

- *Iris Ransom (Dec.)**—Deep clear primrose yellow. A beautiful large dahlia of perfect formation carried on stiff stems. Petals broad and twisted at tips.
Plants 75c
- Ivralee (S. C.)**—A beautiful ivory blending to a creamy yellow at the base of petals. Good stems.
Plants 50c
- Jersey's Majestic (I. D.)**—Immense blooms of salmon old gold, rose mulberry. Beautiful -----
Roots 50c
- Jimmy Fox (I. D.)**—Giant blooms of henna orange. Fine -----
Roots 50c
- Jungle Queen (I. D.)**—Clear rich, velvety red with darker shadings. Long stems and always erect.
Plants 50c
- Kathryn Loesch (F. D.)**—A grand pink with perfect blooms 8 to 9 inches by 5, held on long perfect stems. A good commercial dahlia ----
Plants \$1.50
- Katie K. (I. D.)**—A deep rose pink with white veins in the petals that lighten the color. Blooms 11 by 6 inches and a strong grower
Roots \$1.00, Plants 50c
- Kemp's Golden Heart (F. D.)**—Tall grower of rich Autumn shades -----
Roots 35c
- Kemp's Great Eastern (I. D.)**—Rich fall shades of orange, gold and reddish bronze. Large blooms.
Plants 50c
- Kemp's Monarch (I. D.)**—Deep salmon changing to orange and lighter salmon -----
Plants 75c
- Kilpera (F. D.)**—Waxy white with a lilac shading.
Plants 50c
- Kilgore's Lucifer (Str. Cac.)**—A Brazil red with Capucine orange reverse which shows as petals curl. Blooms large and deep on cane like stems.
Plants \$1.25
- King George (F. D.)**—One of the best European dahlias we have grown. Color a flaming scarlet with center petals showing an old gold reverse. Has wonderful growing habits -----
Plants 75c
- King Cole (I. D.) 1940**—Very dark maroon red with velvet like texture and fine substance. A strong grower with splendid stems. Size of blooms 12 to 14 inches by 6 to 7 inches deep -----
Plants \$2.00
- Kentucky Sweetheart (I. C.)**—A bright pink on good stems -----
Plants \$1.00
- Leland Standford (Dec.)**—Brilliant cardinal red. Highly recommended. Good grower.
Roots 75c, Plants 35c
- Lois Walcher (F. D.)**—An outstanding 1939 dahlia and regarded as the leader of all 1939 introductions. Color is deep Amaranth to pansy purple with the outer one-third petals a clear white. There is no blending of the two colors, each breaking sharply into the other -----
Plants 50c
- Lord of Autumn (I. D.)**—Deep golden yellow. Exceptionally beautiful -----
Plants 35c, Roots 75c
- Loyalty (Min. S. C.)**—This is not only the most prolific bloomer that we have seen, but a beautiful crimson red. Stems long and stiff, holding blooms high above foliage. This has been a good show winner this season -----
Plants 75c
- Little Glory (Min. C.)**—This miniature received an award of honor at the Georgia Test Gardens for being a distinctive new color. We still are unable to find a name for this color. It is between begonia rose and deep rose red. A vase or basket of these will win in any show room. Stems long, stiff and wiry. A very prolific bloomer from early season till cut by frost -----
Plants 75c
- Lynn Dudley (S. C.)**—A beautiful bi-color of grenadine red tipped white with reverse russet. Always attracts attention -----
Roots \$1.00, Plants 50c
- M. Callahan (F. D.)**—A clear white with a refined appearance and beautiful form -----
Plants \$1.50
- Mabel Burkart (S. C.)**—Blending of pink and cameo shades of cream -----
Roots 75c
- Maffie (I. D.) 1940**—Massive blooms of intense red having perfect formation. Blooms have reached a size of 13 inches and held on long stems. Has won many ribbons -----
Plants \$2.00
- Manhattan (I. D.) 1940**—A large orange red informal decorative reaching a size 11 to 12 inches on strong stems. Petals pointed, curve and twist making a very artistic bloom -----
Plants \$2.00

- Marion Smith (I. D.) 1941**—One of the leading winners for 1941. A true giant bloom 13x7 of Tyrain pink overlaid with mallow pink. Blooms are not coarse but clear, bright and attractive. Will be a leader in the coming shows ----- **Plants \$3.50**
- Marjorie Roberts (I. D.)**—Lovely pure white. Blooms of giant size on fine long stems ----- **Plants \$1.50**
- Mastro (S. C.) 1940**—A fine new semi cactus of a deep glowing beet red color. A well formed and a beautiful flower on an erect graceful stem.
Plants \$2.00
- *Mascot (Inc. Cac.)**—Carmin pink on good stems.
Roots 50c
- May Robeson (S. C.)**—Clear bright pink -- **Roots 25c**
- Mayor Frank Otis (I. D.) 1939**—Shading from light to dark honey-yellow. Reminiscent of Jane Cowl but with more bronze. Petals twisted and most attractive. Vigorous grower on fine, strong, straight stems, and an excellent keeper. Believe it or not has been grown to 17 inches ----- **Plants \$1.00**
- Michigan White (S. C.)**—A fine commercial white dahlia of medium size bloom **Plants 50c, Roots \$1.00**
- Midwest Champion (I. D.)**—Beautiful brilliant violet rose ----- **Roots 50c**
- Milton J. Cross (I. D.)**—Immense flowers of rich yellow buff shaded amber. Excellent grower with fine stems. Special price ----- **Roots 75c**
- *Miss Belgium (Str. C.)**—Beautiful orange color.
Roots 50c
- Miss Glory (S. C.)**—Apricot yellow with good stems.
Roots 50c
- Miss Oakland (F. D.)**—New introduction of pure white. Good for cut flower work ----- **Roots 50c**
- Miss Parkersburg (Inf. D.)**—Color buff, back of petals carrot red with some tones of Jasper red. Gigantic blooms ----- **Roots \$1.00, Plants 50c**
- *Mrs. Ferry (S. C.)**—Amber and gold semi cactus blooms on erect stems ----- **Plants 75c**
- *Mrs. Stewart (S. C.)**—Salmon-apricot with a salmon pink reverse. The petals curl and twist and blooms of immense size ----- **Plants 75c**
- Miss West Virginia (I. C.)**—Clear mauve on a large, heavily petalled bloom ----- **Roots \$1.00**
- *Mde. Albert Lebrum (I. D.)**—Brilliant and elegant flowers carried on long stems. Fluffy blooms of warm coppery orange suffused at the points of the curled petals with a clear purplish pink. This is a new French introduction and stock is scarce.
Plants 75c
- *Mds. Andre Varaldie (I. D.)**—Vivid carmine rose with silver reverse ----- **Roots 25c**
- *Mothers Day (I. D.)**—Huge white flower on good stems. One of the best new whites ---- **Plants \$1.50**
- Mother Maytrott (I. D.)**—Pure white of artistic and beautiful form. Blooms will reach to 11x7 inches. Good stems and a sturdy grower. Stock limited.
Plants 75c
- Mrs. B. Ambers (I. D.)**—Immense blooms of cadimium yellow to raw sienna. Petals are crinkled with a glistening sheen ----- **Plants \$1.00**
- Mrs. C. E. Wildon (F. D.)**—A large scarlet with an orange buff reverse. Splendid grower with heavy foliage. One of the best new introductions.
Roots 75c
- Mrs. Ida Chase (I. C.)**—The color is a bright combination of lemon yellow and pale lavender pink.
Plants 50c
- Mrs. Helen Goetzger (S. C.)**—Golden yellow on good stems. Free bloomer with blooms 7 to 9 inches.
Plants \$1.00
- Mrs. Herbert O'Conner (S. C.)**—Soft rose pink. Good.
Roots 35c
- Mrs. Wm. S. Knudson (I. D.)**—Another fine snow white that has made a good record. Can be depended on for commercial work ---- **Roots 75c, Plants 35c**
- Murphy's Masterpiece (I. D.)**—Dark garnet red. One of the big fellows ----- **Plants 50c**
- Murphy's Sport (I. D.)**—In the giant class with blooms 10x4. Buff yellow outer petals to spinal red center petals ----- **Plants \$1.00**
- Nancy A. Mitchell (S. C.) 1940**—A true vivid scarlet with buff reverse which shows with revolution of petals. Profuse bloomers ----- **Plants \$2.00**

- *Nancy Jean (I. D.)**—A gigantic deep yellow with artistic petals and form. A brilliant Australian dahlia of outstanding merit. Winner of many shows ----- **Plants \$1.00**
- *Orange Chief (I. D.)**—A beautiful dahlia with blooms 10 to 12 inches on strong stems. An orange scarlet. An Australian dahlia ----- **Plants \$1.50**
- Oakleigh Monarch (F. D.)**—Cerise red and a beautiful color. Fine stems ----- **Plants 35c, Roots 60c**
- Pacifica (S. C.)**—A yellow semi cactus, but an odd shade with the yellow deeper at the center and creamy white on reverse of petals. Blooms will reach 12 to 13 inches. A winner ----- **Plants \$2.00**
- Pacific Splendor (I. D.)**—Delicate lavender pink with a white center ----- **Plants 50c**
- *Paul Phitzer (S. C.)**—Lilac rose with a sulphur yellow center ----- **Roots 35c**
- Peace (I. D.)**—Snow white. A new introduction. ----- **Plants 75c**
- *Phantom (I. D.)**—A leading bi-color dahlia of violet purple tipped white ----- **Roots 35c**
- Phyllis June (F. D.)**—A lovely Jersey Beauty type of formal decorative. Color is a blue orchid which is new in this class. A wonderful dahlia for cut flower and works well with Jersey Beauty. Good stems. Stock is limited ----- **Roots 75c**
- Pink Elegance (S. C.)**—True brilliant rose pink of 8 to 10 inches in diameter with a good depth. Good keeping qualities. Unusual charm and beauty. ----- **Roots 75c, Plants 35c**
- *Pink Giant (I. D.)**—A very beautiful dahlia from Holland. Large blooms of a vivid rose pink on strong stems ----- **Plants \$1.50**
- *Pink Spiral (Inc. C.)**—Peach blossom pink with a touch of primrose at the base ----- **Roots 50c**
- Pink Sutherland (I. D.)**—Clear pink on long stiff stem. Blooms of great depth with a size of 10 to 12 inches ----- **Plants \$3.00**
- *Pius XI (Dec.)**—Yellow blooms of regularly curved petals immaculately white edged ----- **Plants 50c**
- *Pluie d' Or (Inc. C.)**—Gold and amber colour, incurved cactus, artistically built. A good addition for exhibition purpose ----- **Plants 75c**
- *Poinsetta (Dec.)**—Beautiful carmine red with a deep flaming blood red glow like the well known poinsetta. The flowers are large ----- **Plants 50c**
- *Posie Moravy (I. D.)**—A real gem of beauty. White with an orchid tint. Petals are slightly ruffled. ----- **Plants 50c**
- *Prachtkerl (S. C.)**—Good cactus of primrose yellow. ----- **Roots 35c**
- Primrose (I. C.)**—A soft pleasing buff with primrose shadings. The reverse of the petals is a rosy pink. ----- **Plants 50c**
- Progress (I. D.) 1940**—Rosy mauve with petals twisted and curved. An outstanding 1940 introduction of exhibition type ----- **Plants \$2.00**
- Purple Mist (F. D.)**—A beautiful pure deep purple. Extra long stiff stems holds the large blooms well above the foliage ----- **Plants 50c**
- Queen City (F. D.)**—Scarlet pink of Jersey Beauty type. Good habits. Fine cut flower ----- **Roots 35c**
